Alexander The Great ~ *A history of hospitality*

Anyone who has ever visited 'the Alexander' in Pafos will remember it as an established beacon of hospitality, with a distinct touch of class. And now, it's even better. The recently completed renovation of this award-winning hotel has raised the bar even higher, in terms of comfort, style and total relaxation. From newly introduced room types that ensure ultimate privacy, to upgraded entertainment and guest services, your next visit to Alexander the Great will outshine all others.

While some guests choose Pafos as their destination first, then book the Alexander, there are also many whose main reason to visit Pafos is simply the memory of a wonderful holiday at the Alexander, studded with experiences of luxury, tranquility and the warm welcome that accompanies the name 'Kanika'.

Epicurean Half-Board

For guaranteed taste satisfaction, our half-board and full-board terms have been upgraded to delicious dimensions. Choose HB or FB PLUS, and you can dine in one of 5 different restaurants – as an alternative to the buffets served in our Café Royale Restaurant – drinks included!

Roxane's Restaurant will dazzle you with show-cooking and theme buffets.

Garibaldi Ristorante Italiano and our new Japanese Restaurant & Terrace are reserved for adults who enjoy an intimate à la carte dinner with an ethnic twist. Visit Limanaki Beach Restaurant in fine weather for an international lunch à la carte or a buffet dinner, while the Pella Pool Restaurant serves appetizing midday and evening snacks. Drinks include a glass of your preferred beverage: local premium wine, beer, soft drink or juice, and a bottle of mineral water on the house.

Glittering Entertainment

Evening entertainment at the Alexander has been expanded – literally! A new outdoor venue measuring 400 sqm under starry skies now tops the list of entertainment venues throughout the hotel. But the expansion is not purely physical: the coming season's programme itself is bursting with glitter and glamour. With new professional entertainers and performers added to the hotel's showtime calendar, a whole series of live entertainment options are yours to enjoy in various venues across the premises.

Plan on spending the evening in the hotel, then stroll down to the lobby... and start circulating. There will be something different every evening for you to enjoy, from popular tribute bands and musicians performing soul, rock'n'roll or classic rock, to comedians and special performers that will make every evening special.

Private & Exclusive

Looking for something extraordinary for a special person or occasion? Welcome to our totally refurbished private wing, housing only 8 exclusive Superior Garden Cabanas. With their own gardens and an unobstructed sea and harbour view, the Garden Cabanas set new standards of luxury, with:

- New elegant furniture and décor
- Extra large pillows and Egyptian cotton bed linen and duvet
- 32" plasma satellite TV and sound system for international multimedia entertainment
- Beautifully furnished terrace
- Express VIP check-in and welcome
- In-room treats upon arrival: French sparkling wine, fresh fruits and bottled water

For the best of the best, a limited number of Superior Garden Cabanas feature a private swimming pool, jacuzzi and sundeck to create the ultimate intimate retreat.

Olympic Lagoon Resort ~ *One destination ... A whole new world*

Agia Napa conjures up images of sugary sands, clear turquoise waters and non-stop holiday fun – and the Olympic Lagoon Resort captures it all... and so much more. Upon completion of a multi-million Euro expansion and upgrading programme, in 2011 the Olympic Lagoon Resort is destined to be the most exciting holiday resort in Cyprus for couples as well as families.

Situated in the Nissi Bay area, with easy access to all the fun features of Agia Napa, the resort itself provides such a variety of leisure facilities, activities and

unlimited room for relaxation and recreation, that you will be tempted not to step beyond the boundaries of the hotel grounds.

Six different room types means there is always the perfect accommodation for you, from standard rooms to superior bungalows, deluxe suites and family suites. Wine and dine on all-inclusive or according to taste, day by day. Explore the health, leisure and entertainment options – including various areas reserved for adults - and one holiday will not be enough...

Elias Beach Hotel ~ *A seaside paradise*

The Elias Beach Hotel is the most recent hotel to join the Kanika family. Under the management of Kanika Hotels & Resorts, it has already been extensively renovated, while the full refurbishment of all guest rooms is underway. Directly overlooking the sandy coastline of the cosmopolitan town of Lemesos, the Elias is a favourite among visitors from east and west.

The lush gardens that surround the hotel are reminiscent of a tropical paradise along sea; leisure and pleasure facilities are as varied as the dining and entertainment options. Like Lemesos itself, the Elias Beach is a vibrant destination all year round: for seaside summer holidays, as a winter escape from the cold, or for festive breaks over Christmas and Easter.

Exclusively All-Inclusive

In response to popular demand, and as from April 2011 accommodation at the Elias Beach Hotel goes hand in hand with our all-inclusive package. But make no mistake: all-inclusive 'Elias style' by far exceeds the common perception of an often limited package. At Kanika, we have expanded and developed the concept to include much more, much longer, and all-inclusive entertainment!

See for yourself:

- Choice of two restaurants (lavish buffets)
- Choice of 4 well-stocked bars across the hotel
- Open access to special entertainment venue
- Extended all-inclusive hours
- The Kanika Gala Dinner (once a week)
- Junior Lunch and Dinner Parties with special children's menu
- ... and the promise of a fun-filled holiday for families and couples alike!

Spotlight on Entertainment

When we speak of entertainment, we really mean it: a full agenda of daytime activities and evening entertainment for our guests of all ages. Outdoor sports? Musical cabaret? Kids Club? Yes too all, and all organized and supervised by a dedicated animation team with a single purpose: to make every day a fun day which includes sports, family-focused activities, and adult recreation.

The all-new Havana Entertainment Venue offers a daily changing evening programme in an atmosphere that defines happy holiday memories. From kids' disco and games to spectacular adult-oriented shows, every evening at the Havana Venue is a great night out! And what about the little ones? Don't worry; after the first introduction they will be running off to our Little Monsters Kids Club every day...

Colourful Menu at Blue Paradise

The Blue Paradise beach restaurant is... literally on the beach, which made it a winner from day one. So what's new? Apart from the interior refurbishment to maintain a fresh and inviting ambience, the menu itself has been significantly enriched. Imagine your partner fancies Italian pasta, but you're in the mood for Tex-Mex; or he's up for some sizzling grilled meat, while you would actually prefer fish. No worries; all that plus a whole range of traditional Cypriot dishes and the best 100% beef burger you will ever taste are served in this magnificent outdoor setting. Just make sure you start with one of the popular cocktails and leave some space for one of many irresistible desserts...

Consider the romance and rewards of a Kanika wedding in Cyprus

Generations come and go, but wedding dreams are still as vivid as ever in the mind of every young lady - and her mother!

From the bridal gown to the setting, from the wedding cake to the music and décor, visions of a perfect celebration of love are as different as the individual brides themselves, and their own images of a 'perfect' wedding that radiates romance. And what could be more romantic than a seaside wedding in the sun, on the island that is known as the birthplace of Aphrodite, the ancient Greek goddess of beauty and love?

Over and above the magic of a Mediterranean wedding, what more and more couples are discovering is that getting married in Cyprus is easy - and offers better value - than a wedding in other European capitals. With Kanika as your destination, caterer and coordinator, offering guidance with formalities, banqueting options according to taste and helping you finalize all the frills, the planning process will be as exciting as the big day itself. Best of all? When you wake up the next morning, you will already be at your honeymoon destination, ready to enjoy every minute of the most memorable holiday in a couple's life...

A CHOICE OF VENUES

Pafos

Known as 'Aphrodite's playground' and wrapped in legendary love, Pafos has an almost magnetic effect on couples seeking romance. Here Alexander the Great Beach Hotel offers a choice of indoor function halls as well as garden settings. And there is one that grants you the best of both worlds: our beautiful terrace overlooking the gardens and the blue sea provides the combined benefits of indoor facilities and open-air charm.

Lemesos

How about an intimate wedding in a Greek-style white-washed chapel on the hotel grounds, or an elegant reception on the Sunset Pier, with the Mediterranean all around? Or a gala dinner accompanied by the sound of the waves? If that echoes your dreams, the Elias Beach Hotel in Lemesos is for you.

Agia Napa

Conceived and created especially for weddings, the Olympian Gardens at the Olympic Lagoon Resort is a custom-designed romantic venue measuring just over 1000m², complete with a small lake and a charming little grotto, surrounded by red roses, apple, walnut and palm trees, and rippling waterfalls. A unique setting for a memorable wedding and many anniversary celebrations to follow.

Our gift to the happy couple:

At Kanika Hotels, we thoroughly enjoy hosting this special day in your life, and express our best wishes with our own Kanika gifts. These include complimentary room upgrades wherever possible, local champagne, flowers, balloons, luxurious toiletries and various little gifts in the room, as well as the complimentary service of our wedding coordinator.
